I HAVE READ AAAT'S TERMS AND CONDITIONS AND AGREE TO THEM AS AN INTEGRAL PART OF THIS ORDER.

OWNER'S OR SHIPPER'S SIGNATURE

DATE

A ACE CONTRACT TERMS AND CONDITIONS

A ACE AUTOMOBILE TRANSPORT LLC (AAAT) AND SHIPPER AGREE TO THE FOLLOWING:

- 1) By signature of the owner and/or agents of owner, AAAT or AAAT's agents - including the motor carrier selected by AAAT - are authorized to operate and transport the vehicle between its pick up location and final specified destination.
- 2) All vehicles transported are fully insured by the carrier, as mandated by the U.S. Federal Government. **All damage must be properly noted on the delivery receipt or bill of lading while the driver is present and then submitted in writing within 14 days of delivery.**
- 3) AAAT agrees to make all efforts to provide the most expedient shipment of your vehicle(s). However, AAAT cannot guarantee pick up or delivery on a specified date. For an additional fee, appointments may be made for pick up by unrestricted auto carriers in some areas. If it should become necessary for shipper to rent a vehicle, AAAT will not be responsible for any costs associated with rental of a vehicle.
- 4) Transport of the vehicle(s) will be door to door. Door-to-door shipment means that the motor carrier will pick up and deliver as close to the specified address as possible. Should the carrier be unable to pickup or deliver to the specified address due to height, length or weight restrictions or other obstacles (i.e., trees), it will then be the owner's/shipper's responsibility to meet the carrier at a location determined by the carrier to be as close as possible to the specified address where the vehicle can be loaded or unloaded. If the owner, shipper, or other designated person is not available at delivery, the vehicle will be placed in storage. Owner/shipper will be responsible for any storage or terminal fees resulting from unavailability. All attempts will be made to contact the person designated to take delivery as much in advance as possible.
- 5) If this order is canceled before a period of seven days has passed from the requested available pick up date, an administration fee of \$75 (\$100 for Hawaii and overseas orders) plus any additional fees incurred by AAAT will be charged. Additional fees may include charges to AAAT by the motor carrier if the order is canceled after the vehicle has already been scheduled for transport and/or fees pertaining to paperwork for overseas and Hawaii orders. Any remaining funds from payments made by shipper will be mailed from AAAT's office or refunded to the credit card used for payment no later than 14 working days after cancellation. The requested available pick up date is the date on the shipping order or the next business day after the order is received in AAAT's office, whichever is later. If shipper wishes to change the requested available shipping date, there will be no charge provided a motor carrier has not already been dispatched to pick up the vehicle. Overseas orders (including Hawaii) must be paid in full when the order is placed.
- 6) The vehicle is to be tendered to the carrier in good mechanical condition. Should the vehicle become inoperable during transit, the inoperable fee will be determined by the motor carrier, and any and all fees must be paid on delivery by cash or certified check. If your vehicle is oversized, please inquire as to additional fees. "Oversized" can include vehicles longer than 18 ft, taller than 5.5 ft, large pickups or vans, dual-wheel vehicles, etc. If AAAT is not advised of oversized vehicles prior to shipment, any extra fees will be determined by the motor carrier and will be payable on delivery by cash or certified check.
- 7) Neither AAAT nor the carrier shall be liable for damage to exhaust systems and antennas or for damage caused by freezing and/or leaking fluids. All luggage and personal property are to be confined to the trunk of the vehicle and are shipped at the owner's/shipper's risk and subject to acceptance by carrier. AAAT will not be held liable for the delivery of personal property. There shall be no guns; explosives; flammable products; valuables; alcohol; jewelry; ammunition; drugs (including prescription medicine); pets; plants; or audio, video or electronic equipment left in the vehicle. Neither AAAT nor the carrier will be liable for damage resulting from items placed in the vehicle. If the vehicle is being shipped overseas, the vehicle must be completely empty except for factory-installed equipment. "Overseas" includes shipments to Hawaii. Any items left in the vehicle will be removed at the expense of the owner/shipper.
- 8) Shipper warrants that he will pay all monies due to AAAT for its agent services and will not seek to charge back a credit card or stop a check under any circumstances. The Department of Transportation requires that all monies due AAAT must be paid upon delivery and before any claims may be processed. If the customer does seek to charge back a credit card or stop a check or other payment, any extra charges incurred by AAAT in recouping payment will be the responsibility of the customer. It is also agreed that this agreement and the rights and obligations of the parties pursuant to the agreement are governed by Virginia law, and any legal action arising out of this agreement shall be brought in Fairfax County, VA. All monies due AAAT for transport of the vehicle that were not paid as a deposit with the order are due on delivery by cash, cashiers check or certified check.

This agreement supersedes all oral and/or written agreements between the owner/shipper and AAAT, and may not be changed except when in writing by an officer of AAAT. AAAT is a broker licensed by the Department of Transportation. AAAT's MC number is 404447.
